

## REMARKS

The applicant herein cancels claims 10-19, and 26, without prejudice. The Office has indicated that claims 20-25 are allowable in each of the preceding Office Actions. While the Applicant respectfully disagrees with the Office's rejection, the applicant makes the above amendment to allow claims 20-25 to proceed to allowance, and reserves the right to address rejections of those claims should the applicant submit them in the course of a continuation application.

Applicant believes the above amendments and remarks to be fully responsive to the Office Action, thereby placing this application in condition for allowance. No new matter is added. Applicant requests speedy reconsideration, and further requests that Examiner contact its attorney by telephone, facsimile, or email for quickest resolution, if there are any remaining issues.

Respectfully submitted,
